

EMPOWER. **EDUCATE. ELEVATE.**

Transforming Teacher Education in
Dubai and Beyond.

ABOUT EBT

We don't just prepare teachers—we shape future-ready educators.

East Bridge Training (EBT), located in the heart of Dubai, is a KHDA-approved institute dedicated to advancing excellence in teacher training and education. We offer a wide range of globally recognized programs tailored for aspiring and working educators, school leaders, and academic professionals. Our expert-led, career-focused courses are designed to equip teachers with the skills, strategies, and certifications they need to thrive in today's evolving classrooms and learning environments. Whether you're entering the field or upskilling as a professional, EBT provides the tools and support to help you lead, inspire, and succeed in the world of education.

KHDA RECOGNIZED INSTITUTION

East Bridge Training is proudly recognized by the Knowledge and Human Development Authority (KHDA), Dubai—the UAE's premier education regulator.

KHDA approval ensures that our training programs meet the highest standards of quality, credibility, and learner outcomes, making your certification legally recognized and respected across Dubai and the GCC.

WHY CHOOSE EBT?

- ✓ **KHDA-Approved** – Government-recognized certifications in Dubai and the UAE
- ✓ **Internationally Accredited** – Courses aligned with global standards (IEAC, EDU)
- ✓ **Expert Trainers** – Learn from industry veterans and education specialists
- ✓ **Flexible Learning Modes** – Online and in-class options tailored for working professionals
- ✓ **Real-World Focus** – Practical teaching, training, and classroom management skills
- ✓ **Career Advancement Support** – Build your CV, improve job readiness, and connect with opportunities
- ✓ **Globally Relevant Curriculum** – Up-to-date methodologies, tools, and techniques
- ✓ **Inclusive Learning** – Courses tailored for educators, SEN professionals, and career changers

What KHDA Recognition Means for You:

- ✓ Certificate accepted across Dubai and the wider UAE
- ✓ Enhanced credibility for career progression
- ✓ Assurance that you are learning from a government-approved institution

Teach in Dubai. Succeed Globally.

TEACHING SKILLS ADVANCED LEVEL

Step into the next level of teaching excellence with the Teaching Skills Advanced Level Course—a dynamic hybrid program combining 6 months of online learning with 3 days of immersive, in-person training. Designed for educators aiming to upgrade their classroom strategies, this course blends theory with practice to help you thrive in today's evolving education landscape.

What Will You Learn

- ✓ Create impactful, learner-centered lessons using advanced instructional strategies.
- ✓ Apply effective methods to support diverse learners in today's multicultural classrooms.
- ✓ Leverage digital tools, AI, and blended learning models to elevate student engagement.
- ✓ Incorporate experiential, STEM, and Montessori methods while designing assessments that reflect real-world skills.

Mode:

Blended (In-class + Self-paced)

Duration:

6 months with 3 days in-class sessions

ADVANCED SKILLS FOR SPECIAL EDUCATIONAL NEEDS (SEN) TEACHERS IN CLASS

The SEN in the Inclusive Classroom Course is designed for educators who want to create meaningful, inclusive learning experiences for all students—especially those with diverse needs. This hybrid program combines in-depth online modules with 3 days of practical, face-to-face training, equipping teachers with real strategies to support neurodiverse learners.

What Will You Learn

- ✓ Master advanced teaching techniques for learners with Autism, ADHD, Dyslexia, and other learning disabilities.
- ✓ Learn to create and apply effective Individualized Education Plans tailored to student needs.
- ✓ Apply classroom strategies to support students with Emotional and Behavioral Disorders (EBD).
- ✓ Incorporate assistive technology, art, and music therapy into inclusive education settings.

Perfect for teachers, coordinators, and support staff, this course connects special education theory to real classroom practice.

Mode: **Blended (In-class + Self-paced)**

Duration: **6 months with 3 days in-class sessions**

Certificate: **KHDA Approved**

EXPLORE OUR TRAINING PROGRAMS

SPECIAL EDUCATION (SEN) COURSES

At EBT, we believe that inclusive education is the future of teaching. Our KHDA-approved Special Educational Needs (SEN) programs are designed to empower educators with the tools and understanding needed to support learners with diverse abilities.

What you will learn:

- ✓ Focus on inclusive teaching strategies, SEN frameworks, IEPs (Individualized Education Plans), and classroom accommodations
- ✓ Ideal for shadow teachers, SEN assistants, inclusive educators, and early childhood professionals
- ✓ Covers practical strategies to create inclusive classrooms for students with varied learning needs
- ✓ Emphasizes differentiated instruction, behavioral management, and equity in learning

Mode: **In-Class | Online | Live Online**

Duration: **120 hours | 6 Months**

Certificate: **KHDA Approved**

Whether you're a teacher, counselor, or aspiring SEN specialist, these courses prepare you to make a real impact in inclusive educational environments across schools, NGOs, and early childhood centers in the UAE and beyond.

TEFL/TESOL PROGRAM

The demand for qualified English teachers is on the rise globally—and especially in the UAE's multicultural education sector. EBT's KHDA-approved TEFL/TESOL program prepares aspiring and current educators to teach English to speakers of other languages confidently and professionally.

What you will learn:

- ✓ Learn lesson planning, classroom management, grammar instruction, and student engagement techniques
- ✓ Practical focus on real-world ESL teaching scenarios across age groups and cultures
- ✓ Globally applicable and KHDA-approved for teaching jobs in the UAE and abroad

Mode: In-Class | Online | Live Online

Duration: 120 - 400 hours | 4-18 Months

Certificate: KHDA Approved

Start your international teaching journey with a recognized TEFL credential—whether you want to teach in Dubai, travel the world, or work remotely as an online ESL tutor.

TEACHING SKILLS

The Teaching Skills program offered by East Bridge Training is a comprehensive teacher training program crafted for aspiring and in-service educators who want to master modern teaching methodologies. Covering key areas such as early childhood education, primary teaching, classroom management, and instructional strategies, this KHDA-approved course is ideal for those aiming to thrive in today's dynamic classroom environments.

What you will learn:

- ✓ Master lesson planning, classroom management & age-appropriate instructional techniques
- ✓ Gain expertise in early years, Montessori, and primary education frameworks
- ✓ Learn strategies for inclusive education & differentiated teaching for diverse learners

Accreditations and Partnerships

Globally Recognized. Professionally Trusted.

At East Bridge Training (EBT), we are committed to delivering quality education that meets global benchmarks. Our programs are backed by prestigious accreditations and trusted partnerships that ensure every learner receives internationally respected credentials.

International Accreditation – IEAC (UK)

East Bridge Training is accredited by the International Education Accreditation Council (IEAC), UK—an independent body that certifies the global quality and relevance of education providers. This recognition reflects EBT's commitment to excellence, student-centric training, and internationally benchmarked standards.

EDU (International Education Board)

Accredited by EDU, an international organization advocating inclusive, equitable education, EBT aligns with the mission of using education as a foundation for peace, prosperity, and innovation. EDU accreditation ensures our courses are globally aligned with UN Sustainable Development Goal 4 (SDG 4) – promoting lifelong learning for all.

In Collaboration With Asian College of Teachers (ACT)

Our academic partner, Asian College of Teachers (ACT), brings a legacy of training over 50,000 alumni across various countries. ACT is globally recognized for teacher training excellence and holds accreditations from CPD UK, QAHE, and ASIC, among others. ACT's global teaching network enhances the value of EBT programs by extending international teaching standards and resources to our learners.

Academic Partnership – East Bridge University (EBU)

EBT partners with East Bridge University (EBU) a globally accredited online university offering flexible, career-focused degree programs in Business, Education, Media, and Technology. With international recognition from bodies like EAHEA, IEAC, EBU empowers professionals to upskill or lead—anytime, anywhere. EBU's programs are designed to meet global industry standards, making them ideal for learners aiming for international academic and career mobility.

The Booming Dubai Education & Training Market

Dubai is fast becoming a global hub for education and professional training. Backed by strong government investment and KHDA's vision, the demand for skilled professionals is rapidly growing.

Key Stats:

- ✓ Dubai's private education market is projected to grow by 5.4% annually
- ✓ 300,000+ students enrolled in private schools (KHDA, 2024)
- ✓ 30,000+ new teachers needed across the UAE by 2030
- ✓ Surging demand for certified trainers in schools, EdTech, early years, and L&D sectors

EBT is your gateway to tapping into this expanding opportunity.

Who Can Benefit from Our Courses?

Our programs are designed for:

- ✓ Aspiring educators and school teachers
- ✓ Corporate trainers & L&D professionals
- ✓ Freelance and soft skills trainers
- ✓ SEN professionals and early years educators
- ✓ Career changers entering the education field
- ✓ Academic coordinators, coaches, and consultants

Whether you're starting out or looking to upskill—there's a course for you at EBT.

Career Pathways: Training & Development in Dubai

In Dubai, training goes beyond classrooms. Today's demand is for multi-skilled, certified professionals who can lead workshops, consult organizations, or build learning experiences across sectors.

Where Your Certification Can Take You:

- ✓ Schools & Educational Institutions
- ✓ Learning & Development (L&D) Sector
- ✓ Coaching & Soft Skills Training
- ✓ Early Childhood & SEN Support Roles

Why Choose a Training Career in Dubai?

- ✓ Global exposure & international community
- ✓ Tax-free income & career security
- ✓ High growth in education and EdTech
- ✓ Opportunity to freelance or work full-time
- ✓ Impact learners and organizations directly

Dubai's training ecosystem is thriving—and you can be part of it. EBT is your gateway to tapping into this expanding opportunity.

Placement Assistance

East Bridge Training (EBT) offers comprehensive placement support to help aspiring educators launch their careers with confidence. We connect learners to teaching and training opportunities across Dubai and the UAE, ensuring access to roles that match their skills and goals. Our services include expert guidance on resume building, interview preparation, and personalized career advice. With 100% placement assistance, EBT empowers you to transition smoothly into the education workforce—equipped, prepared, and supported every step of the way.

Meet The Minds Behind EBT

Led by a passionate team of global education leaders, academic experts, and corporate trainers, EBT's leadership brings decades of experience across international education systems and teacher training ecosystems. With a vision rooted in accessibility, excellence, and innovation, our team is redefining professional development in Dubai and beyond.

PROF. DR. SANJIB CHAKRABORTY
Board of Academics, East Bridge Training

An acclaimed academic and L&D expert, Dr. Sanjib Chakraborty brings 25+ years of global experience in education, leadership, and training. A Ph.D. holder with dual Master's degrees, he has delivered workshops in over 45 countries and advised top institutions worldwide. At EBT, he guides academic strategy and ensures alignment with international standards.

DR. JANAT CLEMIS
Doctorate in Education Leadership, Director General – EBT

With over 18 years of global experience in education, Dr. Janat Clemis is a seasoned leader known for her expertise in instructional leadership, inclusive education, and culturally responsive teaching. She has worked across continents as an educator, administrator, and international keynote speaker. At EBT, Dr. Janat drives innovation in training and curriculum, shaping impactful, student-centered learning for the next generation of educators.

DR. MAURICE KENNETH DIMMOCK
Board of Academics – EBT

A seasoned academic and international education expert, Dr. Maurice Dimmock has served as Director of International Development at Northumbria University and consulted on World Bank projects worth £32M. With a background in physics, M.Ed. from Hull University, and leadership roles in global accreditation, he brings decades of insight into quality assurance, academic governance, and global education strategy.

MR. SHIVANJAN CHAKRABORTY
Founder – East Bridge Training

Founder and CEO of EBT, Shivanjan Chakraborty is an award-winning education entrepreneur and strategic marketing leader. With a Master's in Business Analytics and a background in leading digital transformation across the education sector, he drives EBT's mission to make quality, globally recognized training accessible across the UAE and beyond.

DR SUPARNA SINHA DUTTA
Board of Academics – EBT

With over 19 years of experience in academia, Dr Suparna specializes in curriculum design, academic quality, and educational assessment. Holding a Doctorate in Education and certified in quality assurance from the UK, she brings deep expertise in accreditation, educational frameworks, and program audits, ensuring EBT's academic offerings meet global standards.

How It Works

- ✓ Flexible Learning Options – Online & in-class programs for full-time professionals
- ✓ Simple Enrollment – Easy sign-up, guided assistance, and fast onboarding
- ✓ Real-World Curriculum – Practical skills you can apply immediately
- ✓ KHDA-Approved Certification – Receive a government-recognized certificate upon completion

TESTIMONIALS

APARNA SUBRAHMANYAM

Hi, my name is Aparna and I have enrolled in special education needs with East Bridge Training and I was here as a part of a 3 day workshop conducted from 21st March to 23rd March . So it was a very interactive workshop and it was conducted by Sudheshna ma'am. She was very helpful as she helped us understand how things work. We were able to literally understand how the special or the gifted child really think. Actually the course is of six months, so I'm looking forward for the fruitful completion of this course and this workshop really helped me. Thank you.

RALINE DELA CRUZ AQUINO

I have enrolled with East Bridge Training for their advanced skills for special educational needs. It includes three days of hands-on training and discussions. It is very informative, interactive, and I believe I have acquired the required skills to educate and help the neurodiverse populations. I highly recommend the course. Thank you.

MANMEET KAUR ARORA

Hi, my name is Manmeet Arora and I live here in Dubai. I have enrolled myself with East Bridge Training for the workshop for special kids educators. I am doing a workshop from the 21st until the 23rd of March. It's a three days workshop with Ms. Sudeshna who is a fantastic facilitator. It's a very hands-on program and a lot of activities, a lot of interactive sessions were done which I really, really enjoyed. I'm looking forward to tomorrow's session. Thank you.
